

Vegetable Peeler - User Guide

Purpose: This stainless-steel vegetable peeler is designed for peeling vegetables and fruits and includes a julienne blade for making thin strips.

How to Use

1. Wash before first use.
2. Hold the handle firmly.
3. Pull the blade away from your hand using light pressure.
4. Use the julienne blade for thin strips.
5. Keep fingers away from blades.

Cleaning & Care

- Wash after every use.
- Dishwasher safe if applicable.
- Dry completely before storage.

Safety

- Sharp blades—keep away from children.
- Do not use on frozen food or hard objects.
- Replace if damaged.

Storage

Hang using the loop or store in a dry drawer.
